Sports Fans, Beware

By Willie the Water Boy

In the past sports have been reported somewhat like obituary columns. Well, no more plain dates and facts; from now on - - opinions and humor, as well as facts. There will be funny spots from practice, the humor of the game, as well as the highlights and outcomes of each game.

Touch Football is going to play an important part of this year's schedule with a Residence Hall League, a Fraternity League, and two MSOE varsity teams in the city league. Both these teams are entering for the second year.

The newly organized Outdoor Basketball League will bring some new and refreshing faces to the sport world of MSOE. This league will be open to any team consisting of MSOE students.

The MSOE Engineers have an outstanding 1st year soccer team which placed 6th in the first half of this year's play, competing against 8 other teams. They have won 2 games and tied 2 - - no other frosh team has previously won more than one game. We wish them luck in their second half.

The old favorite, Bowling, is rolling off to a good start this year with three leagues.

Bouncing out for its first year is Golf. Golf enthusiasts should pick up student permits at the Student Activities Office.

Come on, join in the fun and spirit of all-out competition and meet me, "Willie the Water Boy," on the athletic field across from the dorms.

SCHOOL RINGS

The representative of Josten's company will be on campus Tuesday, September 24, for the purpose of taking orders for the official MSOE ring. A booth will be set up in the "B" building lounge between the hours of 11:00 a.m. and 12:00 noon, and between 12:15 p.m. and 1:15 p.m. in the "S" building lounge. Orders are on a cash or COD basis only.

TIE News

By Ron Davis

The Brothers of Tau Iota Epsilon welcome all new and returning students. We are preparing a schedule of social events to be held at our new house located at 3311 W. Highland ave. For the new students, TIE is MSOE's only social fraternity. It was founded in 1950 at Alpha Chapter in Cleveland, Ohio.

TIE participates in all MSOE sports and social events. For the second time, TIE played in the city's municipal softball league and this year took a second place trophy in its division with a record of 13 victories and 1 defeat.

Pot Party at W9HHX

By Al Bingenheimer

The Radio Club, always interested in groovy activities for its members, will hold its first pot party for new and old members on September 27. After a 108-day vacation from the daily study ritual (for some of us anyway), the time has come to resume our previous bad habits. In accordance with this, the Radio Club will present each member, new and old, with an unused potentiometer. The party will be held in conjunction with the second meeting of the Fall Quarter.

Since only members will actively participate in the pot party (which will consist of a new secret ritual), be sure to fill out the membership blank if you meet the necessary requirement of having a valid interest in amateur radio. If you meet this requirement, ask us about the procedure for membership on your visit to the shack.

The club holds open meetings every third week, beginning the Friday of the first week of the quarter. The Fall Quarter meeting dates are Sept. 6, 27, Oct. 18, and Nov. 8. Meetings are held at 7:00 p.m. in the Harry Bradley theater unless meeting notices give other information.

This year, we hope to include technical films, visits to area radio and TV stations, etc., and technical talks after our regular business meetings.

OUTSIDE SOCIAL CALENDAR

Sept. 19-21: Antique Show; Villa Plaza.
Sept. 20: All-University Mixer at Marquette Union Ballroom; 8:00 p.m.; $1.00.
Sept. 21: "The Wild One" film starring Marlon Brando, Marquette Union Ballroom, 7:30, p.m.; $0.50
Sept. 22: Football: Green Bay Packers vs. Minnesota Vikings, Milwaukee County Stadium.
Sept. 28: Soccer: MU vs. Northern Illinois, MU Stadium, 10:00 a.m.
Sept. 29: "The Lady from Shanghai" film starring Rita Hayward, Orson Welles; Marquette Union Ballroom; 7:30 p.m.; $0.50.
thru Sept. 27: Sculpture and drawings of Celine Farrel; Bradley Galleries.
thru Sept. 30: Group showing of Wisconsin-area artists; Bresler Galleries.

KHK News

Circle K to Philly Conventi

By Larry Girga

The 13th Annual International Ci
convention was held at the Benjamin F
hotel in Philadelphia, Pa., August 25-28.
bers attending from the Milwaukee Sch
Engineering Circle K club were Roger M.
Robert M. Cox, Garry L. Sjolander, Lawre
Girga, David W. Worley, Gerald E. Sutt
James V. Nickel.

The major accomplishment of the c
tion was a new constitutional amendment
considered an increase in International d
one dollar. A new slate of officers was also
at this convention.

The convention was educational and
ficial for the members in attendance. We l
more about the International Circle K or
tion as a whole and its operations and fu
with the districts of Circle K International.

Next year's convention will be held i
land, Ore. We hope that some members
MSOE Circle K will attend. This could be
